Registration

There will be a registration office located in each of the 2 locations. Opening and closing times are as follows—

Industrial estate: 5.15pm to 6.15pm

Football club: 6pm to 6.30pm

On arrival at your respective location, you will be guided by a marshal to the

registration office.

Please note that the registration offices will close at the times specified above. If you are late you will not have the opportunity to take part in the judging or the procession.

On registration, you will be guided to an allocated area where you will need to be in place for 6.30pm, when judging will commence.

If you have registered prior to the event, you are still required to report to the registration office in order to check in and collect the necessary class paperwork. However, the time spent in the office will be significantly reduced.

You will also receive a Carnival Safety Leaflet, which you MUST abide by. It is also worth noting that where you are required to have insurance for your float, you will be required to carry this in the vehicle, and this detail will be checked at registration.

Please note that roads will begin to be closed from 6pm (except Holsworthy Square which closes at 4pm). Keep this in mind when planning to arrive at either the football club or the industrial estate. Note also that parking at the football club is limited, and it is suggested that you park elsewhere and walk where possible.
