R2. Best Royal Car

A1. Artistic Tableau/Float

A2. Young Farmers Club

A5. Commercial Vehicles/Tractors

A6. Vintage (including vintage tractors)

A7. Show cars and motor bikes

C3. Children's Tableau/Float

Registration

Registration can be completed online, with links available on our website and Facebook accounts. Registration offices will also be available at both locations. Opening and closing times are as follows—

Holsworthy Agricultural Market: 5.15 pm to 6.15 pm

Football Club: 6 pm to 6.30 pm

On arrival at your respective location, you will be guided by a marshal to the registration office.

Please note that the registration offices will close at the times specified above. If you are late, you will not be able to take part in judging or the procession.

On registration, you will be guided to an allocated area where you will need to be in place for 6.30 pm, when judging will commence.

If you have registered before the event, you are still required to report to the registration office to check in and collect the necessary class paperwork. However, the time spent in the office will be significantly reduced.

You will also receive a Carnival Safety Leaflet, which you must follow. If your float requires insurance, you must carry the policy in the vehicle. We will check insurance details against online registration records or at the registration office, so please have your policy with you.

Please note that roads will begin to close from 6 pm, except Holsworthy Square, which closes the previous evening. Please keep this in mind when planning to arrive at either Holsworthy Football Club or Holsworthy Agricultural Market. Parking at the football club is limited, so we suggest that you park elsewhere and walk where possible.
